THE LESSON.

This is the lesson I have learned of Beauty:
Who gathers flowers finds that flowers fade;
Who sets love in his heart above his duty
Misses the part for which that love was made.

Than passion, haply, there is nothing madder;
Who plucks its red rose plucks with it a
thorn;
More than soul's pain what hurt can make us
adder?

Yet of this hurt immortal things are born.
—Madison Cawein, in "Success Magazine."

The melancholy days are come, the saddest of the year,
Of wailing winds, and naked woods, and meadows brown
and dead.
Heard in the hollows of the grove the withered leaves
lie dead;
They rustle to the eddying gust and to the rabbit's tread.

Say, Hunters, can't you just fairly FEEL that wind
and see the rabbit scurrying over the fields? It's a little
too early yet, but now's a good time to get your

At Lexington DAN SCOTT hasn't been arrested by the Democratic policemen for 48 hours.

DURING the last few days Uncle SHELBY CULLOM don't talk like LINCOLN or look like LINCOLN. Uncle SHEL is getting old, that's all.

How NATURAL it was for Colonel JOHN H. WHALLEN, the Louisville Democratic boss, to go to French Lick Springs after his recent political debauch.

UNCLE SAM will take no part in the dispute between COOK and PEARY as to which discovered the North Pole. Secretary KNOX is too wise a bird for that.

It was unfortunate for Marse HENRI that he was four thousand miles away when old Kentucky partly slipped back into the Democratic column. It's the same old story of SAMPSON at Santiago.

"The schools of Cincinnati are better in every way than any schools I saw in all England or Scotland," said Prof. F. A. KING, who is in charge of instruction in Latin and Greek in Hughes High School. Prof. KING spent several months abroad as Special Commissioner from the Board of Education to study foreign schools.

LADY COOK will find that we do not Jail our suffragettes over here.—Baltimore American.

HEAD's majority for Mayor of Louisville is about 1,500. Not much margin to rejoice and declare that the Demmies have any claim for a permanent cinch on the offices.

KENTUCKY is signally honored in having the aviator enthusiasts of Cincinnati hold their flying machine exhibitions at Latonia. It will be a very big occasion and will no doubt mark a new epoch in aerial sport.

COLONEL JOHN H. WHALLEN, the Louisville Democratic boss, in addition to putting HEAD over for Mayor, won \$10,000 on the Louisville result. WHALLEN is a "Maysville Man," which probably accounts for his success.

GYPSEY SMITH is making Cincinnati sinners sit on the anxious seat and take notice. Strange that it takes a stranger to awaken the religious impulses of a community when the home Ministers are pounding away on the same subject year in and year out.

THE PUBLIC LEDGER was played a measley trick by the young Hallowe'eners. After paying a colored gemmen seventy-five cents in cash for wiping off the front windows, along came the boys and smeared soap on their shining surfaces. Hallowe'en is growing expensive.

"JOHN STEWART KENNEDY," a few days ago, was an unknown name to hundreds of millions of people. He died and left a fortune of \$60,000,000, half of which goes to Churches, schools and Colleges. Now his name stands for one of the noblest and largest of the world's greatest benefactors. Mr. KENNEDY's bequests read like a fairy tale. Such men are shining examples of goodness which lifts man to the sublime heights of immortality.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient's strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone that it fails to cure. Send for list of testimonials.

Facts for Weak Women

Nine-tenths of all the sickness of women is due to some derangement or disease of the organs distinctly feminine. Such sickness can be cured—is cured every day by

Dr. Pierce's Favorite Prescription

It Makes Weak Women Strong, Sick Women Well.

It acts directly on the organs affected and is at the same time a general restorative tonic for the whole system. It cures female complaint right in the privacy of home. It makes unnecessary the disagreeable questioning, examinations and local treatment so universally insisted upon by doctors, and so abhorrent to every modest woman.

We shall not particularize here as to the symptoms of those peculiar affections incident to women, but those wanting full information as to their symptoms and means of positive cure are referred to the People's Common Sense Medical Adviser—1008 pages, newly revised and up-to-date Edition, sent free on receipt of 21 one-cent stamps to cover cost of mailing only; or, in cloth binding for 31 stamps.

For Catarrh

Medicine Free in Every Case Where It Fails to Relieve.

Neglect or pessimism, I believe, is the greatest enemy the public has to contend with when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment had been resorted to at the first symptom of the disease. Until the advanced stage is reached consumption is curable. Catarrh is responsible, I believe, for many cases of consumption. It is about catarrh I want to talk to you today, incidentally consumption, since the two are so closely allied.

I have a medicine made from a prescription of one of the most successful catarrh specialists known. I believe it is positively without an equal. I am so satisfied that I am right, that I will supply the medicine free in every instance where it is used according to directions for a reasonable length of time, should it fail to give satisfaction in every particular. I want every one to try this medicine at my risk. There are no conditions attached to my offer. I put the user under no obligation to me whatever.

The medicine I want you to try is Rexall Mucu-Tone. It is a catarrh remedy that goes direct to the seat of trouble. It is carried by the blood to every part of the system. It purifies and enriches the blood, tones up the mucous cells, and brings about a condition of health and strength that tends to prevent the germs of consumption from getting a start. Besides this, Rexall Mucu-Tone is a wonderful appetizer, digestive aid and flesh builder. Its good effects are often felt from the very first dose. It is one of the largest and most satisfactory selling medicines that I have ever had anything to do with.

I know so much of the great good that it has done that I personally back it up with my reputation and money, which fact should be ample guarantee to satisfy anybody. Rexall Mucu-Tone comes in two sizes, 50 cents and \$1. I urge you to try it. Remember you can obtain Rexall Remedies in Maysville only at my store—The Rexall Store. Thos. J. Chenoweth.

Did you ever see any one trying to wash themselves without soap or water?

If you did what would you say of him?

It is every bit as foolish to try to get rid of dandruff and to prevent baldness by washing the scalp with cause it, with Cambrilene, Vasoline, Glycerine and similar substances which form the principal ingredients of most so-called Hair Growers.

Newbro's Herpicide is successful because it attacks and kills the parasitic germ which feeds on the hair roots.

It is the original and only genuine scalp germicide manufactured.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Cutting Won't Cure Piles—Internal Treatment Needed

A gardener doesn't kill weeds by cutting their tops. He attacks the root. Just so with piles—the cause is within, entirely out of reach of surgical instruments, ointments or suppositories. The only cure for piles is internal and the only guaranteed internal remedy is Dr. Leonard's Hem-Roid. It has cured 98% of cases, and 24 days treatment is sold for \$1 at J. CITY MISSIONS

Work of the Board in Maysville in Six Months

The Board of City Missions began to submit their work from December 15th, 1908, to July 1st, 1909, to our townspeople, who, by their generosity, have made this work possible.

Eight hundred and seventeen calls in homes. Three hundred garments given. Papers, magazines, etc., given, four hundred and seventy-three. Food delicacies in sickness, medical attention given whenever needed, \$300 spent in this work.

The advantage of an organized charity with a trained worker can be seen by the most casual observer.

Individuals, from the purest motives, may give of their bounty to relieve distress, when these same deeds will recur again as soon as those provisions are exhausted.

Continuance in promiscuous giving makes paupers out of many, but having relieved the immediate needs, the practical work, then, is to help them help themselves.

It is the earnest desire of the Board that, whenever possible, some slight amount should be paid for each garment given and all shoes, groceries, thus fostering any spark of independence there may be left in those lives, all but conquered in the fight for existence.

The gospel of cleanliness, thrift and energy, with help in the practical spending of the fair wages received, is most necessary.

The work does not stop with relieving material needs, but on Sunday afternoon and Tuesday night the love of Christ for a soul-sick world is preached by able Ministers and those fitted for these heart to heart appeals for better lives.

The Board was able to take two patients to Christ Hospital, Cincinnati, before the opening of our own; four children to Orphans Home at Louisville; one mother and child to Bethesda Home in Cincinnati.

The work will be on a broader scale this winter than last, statistics of which will be given from time to time.

The gage marks 41 and rising

The big annual convention of the National Rivers and Harbors Congress will be called to order in Washington on December 8th.

All of the towboats in the upper and lower river have laid up on account of the low river, and it is not expected that there will be another big movement of coal until the latter part of the month.

Engineer John C. Oliver of Gallipolis, O., has retired from the river. He is one of the oldest river engineers in the Ohio Valley and is favorably known from Pittsburgh to New Orleans. He was chief engineer for the old Pittsburgh coal firm of W. H. Brown & Sons for years on their towboats.

The Pittsburgh and Cincinnati Packet Company will soon open its books for passage to New Orleans. The Queen City will leave Pittsburgh on her annual Mardi Gras trip Saturday, January 29th, will arrive in New Orleans Saturday, February 5th, and will lay over in that city until midnight of the following Tuesday, February 9th.

There is about 6,000,000 bushels of coal in the Pittsburgh harbor at the present time. No coal of any account has been loaded at the mines since the last rise, as all the empties are tied up below the Smoky City on account of the low stage of the water. Among the boats laid up are the J. B. Finley, Ironsides, Ed. Roberts and the Sam Brown. These boats left Pittsburgh with shipments of coal on the last rise.

DON'T EXPERIMENT

You Will Make No Mistake if You Follow This Advice

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in this vicinity.

Can Maysville residents demand further proof than that contained in the following testimonial?

Mrs. Mary C. Evans, Vanceburg, Ky., says: "I had troubles by disordered kidneys for fifteen years. My back was very lame and suffered from a great many other symptoms of kidney trouble. Doan's Kidney Pills helped me more than anything I had previously used and I am therefore pleased to recommend this medicine to other sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
